Worship Team Requirements

Students who are selected for worship team scholarships should demonstrate an active relationship with Jesus, as they are servant leaders who facilitate worship for students and staff. These students should also be gifted and experienced in the scholarship position they apply for (i.e. vocal, drums, sound tech, etc.). Both spiritual leadership and musical ability are essential components in selecting student leaders who serve in the worship teams.

Please note that students are only eligible for one leadership position (i.e. a student cannot be an RA as well as a member of the worship team).
