

The following table is the list of Articulated Associate Degrees between Jersey College and Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University's General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the [University Policy Handbook](#).

Jersey College Degree	Grand Canyon University Degree
<ul style="list-style-type: none"> • Associate of Science in Nursing (LPN to RN Bridge Program) • Associate of Applied Science in Nursing 	<ul style="list-style-type: none"> • Registered Nurse to Bachelor of Science in Nursing (RN-BSN) <p><i>Transfer students must possess a current, unencumbered, unrestricted license as a registered nurse in the state where they are employed as an RN.</i></p>

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the [University Policy Handbook](#).

The following table is the assessment of the courses between Jersey College and Grand Canyon University (GCU). The following will be used in evaluating official transcripts.

These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.
