*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the [University Policy Handbook](#). A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Student Service Advisor for more information. For more information about our graduation rates, the median debt of students who completed the program, and other important information, please visit our website at <http://www.gcu.edu/degree-programs/>. Please note, not all GCU programs are available in all states and in all learning modalities. Program availability is contingent on student enrollment.
