

Appendix A: Articulated Associate Degrees
between
Western Technical College
and
Grand Canyon University

The following table is the list of Articulated Associate Degrees between Western Technical College and Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University’s General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional transfer policy information is located within GCU’s University Policy Handbook.

Western Technical College Degree	Grand Canyon University Degree
<ul style="list-style-type: none"> • Associate of Applied Science in Respiratory Therapist 	<ul style="list-style-type: none"> • Bachelor of Science in Health Sciences: Professional Development and Advanced Patient Care (<i>Program Effective 4/01/13</i>) <p>Upon entrance to the program students must meet one of the following criteria.</p> <ol style="list-style-type: none"> 1. Submit a state, local, or national credential/certificate/license issued by a sanctioned licensure/credentialing body, certifying that they are approved to practice as one of the allied health professionals as outlined in the University Policy Handbook <p style="text-align: center;">Or</p> <ol style="list-style-type: none"> 2. Possess an Associate degree from an accredited, GCU-approved college, university, or program that prepares students to acquire the necessary state, local, or national credentials required of allied health professionals involved in direct patient care
