

DEPENDENT VERIFICATION WORKSHEET (V6) 2016 – 2017

HOUSEHOLD RESOURCES VERIFICATION

Your application for financial aid was selected for review in a process called “**Verification**”. Please submit the documentation as soon as possible but no later than 120 days after your last day of enrollment, or by September 2017, whichever occurs first. No funds will be disbursed until the verification process is completed. Failure to complete the verification process by the deadline will result in your ineligibility for Title IV funds for the award year. The law states we have the right to ask you for this information before awarding any federal aid. If there are differences between the information supplied on your federal application and your financial documents, we will need to correct this information. *We must review the required information under the financial aid program rules (34 CFR, Part 668).*

The Department of Education has requested that the institution verify certain items for a student selected for this review. All of the verification items are listed on this Worksheet and must be verified to determine Title IV eligibility.

To review the status of your awards, please visit your GCU Student Portal at <http://my.gcu.edu>.

**** The 2015 IRS Tax Transcript will not be necessary if you and/or your parent(s) were able to retrieve your tax information using the IRS Data Retrieval Tool when completing the 2016-2017 FAFSA and no changes were made after the information was retrieved.**

Regardless if you used the IRS Data Retrieval Tool, W-2s are required from all household members including you and your parent(s) from all employers.

All fields are required to be completed. If you have any questions, please contact your GCU Student Services Counselor.

C. Source of Income – Student: COMPLETE EITHER SECTION 1 OR SECTION 2

Instructions: The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log into your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into your FAFSA. It takes up to three weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.
