

INDEPENDENT LOW INCOME STATEMENT 2016 – 2017

Your application for financial aid was selected for review in a process called “**Verification**”. Based upon a review of your total resources reported on your Verification Worksheet (V6) and your 2015 expenses reported on the Low Income Expense Form, it was determined that your total living expenses (reported on the Low Income Expense Form) exceed the total 2015 income/resources (reported on the Verification Worksheet V6). As a result, you must explain via this statement how expenses were covered since the income/resources were less than the expenses.
