

INDEPENDENT VERIFICATION WORKSHEET (V1)

2017 – 2018

STANDARD VERIFICATION

Your application for financial aid was selected for review in a process called “**Verification**”. Please submit the documentation as soon as possible but no later than 120 days after your last day of enrollment, or by September 2018, whichever occurs first. No funds will be disbursed until the verification process is completed. Failure to complete the verification process by the deadline will result in your ineligibility for Title IV funds for the award year. The law states we have the right to ask you for this information before awarding any federal aid. If there are differences between the information supplied on your federal application and your financial documents, we will need to correct this information. *We must review the required information under the financial aid program rules (34 CFR, Part 668).*

The Department of Education has requested that the institution verify certain items for a student selected for this review. All of the verification items are listed on this Worksheet and must be verified to determine Title IV eligibility.

** The 2015 IRS Tax Transcript or signed tax return(s) will not be necessary if you and/or your spouse were able to retrieve your tax information using the IRS Data Retrieval Tool when completing the 2017-2018 FAFSA and no changes were made after the information was retrieved.

To review the status of your awards, please visit your Student Portal at <http://my.gcu.edu>.

All fields are required to be completed. If you have any questions, please contact your GCU Student Services Counselor.

C. Source of Income – Student: COMPLETE EITHER SECTION 1 OR SECTION 2

Instructions: The best way to verify income is by using the IRS Data Retrieval Tool that is part of FAFSA on the Web. If you have not already used the tool, go to FAFSA.gov, log into your FAFSA record, select “Make FAFSA Corrections,” and navigate to the Financial Information section of the form. From there, follow the instructions to determine if you are eligible to use the IRS Data Retrieval Tool to transfer 2015 IRS income tax information into your FAFSA. It takes up to three weeks for IRS income information to be available for the IRS Data Retrieval Tool for electronic IRS tax return filers, and up to eight weeks for paper IRS tax return filers.

1. Student: Tax Filer

Check the box that applies:

- I have used the IRS Data Retrieval Tool in FAFSA on the Web to retrieve and transfer 2015 IRS income information into my 2017-2018 FAFSA, either on the initial FAFSA or when making a correction to the FAFSA. GCU will use the IRS information that was transferred in the verification process.

- I am unable or choose not to use the IRS Data Retrieval Tool in FAFSA on the Web, and will submit to the school a 2015 IRS tax return transcript or a signed paper copy of the 2015 IRS tax return that was used by the tax filer for submission to the IRS. You may find the form at <https://www.irs.gov/individuals/get-transcript> and then click “Get Transcript Online.” You must have access to a valid email address, a text-enabled mobile phone in your name, and specific financial account numbers (such as a credit card number or an account number for a home mortgage or auto loan). Make sure to request the “Return Transcript” and not the “Account Transcript.” If “Get Transcript Online” is not available, click on “Get Transcript by Mail” or call 1-800-908-9946. It takes up to three weeks for income information to be available for electronic filers and up to eight weeks for paper filers.
