

**Computer Information Systems (CIS), Computer Science (CSC), Cisco Network Technology (CNT), Information Technology Security (ITS) & Microsoft Technology (MST)
Course Equivalency Guide between
Maricopa Community Colleges and Grand Canyon University**

The following table is the assessment of the courses between Maricopa Community Colleges and Grand Canyon University. The following will be used in evaluating official transcripts.

These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.

Maricopa Community Colleges			Grand Canyon University
