

The following table is the list of Articulated Associate Degrees between Pima Medical Institute and Grand Canyon University (GCU). Students who complete a transfer-oriented associate degree (Associate of Arts or Associate of Science) may fulfill Grand Canyon University’s General Education requirements. Students without a transfer-oriented degree (Associate of Applied Science, Associate of Occupational Science, and Associate of Occupational Studies) must fulfill the General Education requirements and have a course-by-course evaluation completed. Additional programmatic admission requirements and transfer policy information can be found within the <http://www.gcu.edu/Policy-Handbook.php>.

Pima Medical Institute Degree	Grand Canyon University Degree
Associate of Applied Science Degrees	
<ul style="list-style-type: none"> • Associate of Applied Science in Dental Hygiene • Associate of Applied Science in Mortuary Science • Associate of Applied Science in Ophthalmic Medical Technician • Associate of Applied Science in Occupational Therapy Assistant • Associate of Applied Science Physical Therapist Assistant • Associate of Applied Science in Radiography • Associate of Applied Science in Respiratory Therapy • Associate of Applied Science in Surgical Technology 	<ul style="list-style-type: none"> • Bachelor of Science in Health Science: Professional Development and Advanced Patient Care
<ul style="list-style-type: none"> • Associate of Applied Science in Health Care Administration • Associate of Applied Science in Veterinary Technician 	<ul style="list-style-type: none"> • Bachelor of Science in Health Care Administration
<ul style="list-style-type: none"> • Associate of Applied Science in Mortuary Science 	<ul style="list-style-type: none"> • Bachelor of Science in Forensic Science (Ground Only)
<ul style="list-style-type: none"> • Associate of Applied Science in Nursing 	<ul style="list-style-type: none"> • Registered Nurse to Bachelor of Science in Nursing (RN to BSN)
<ul style="list-style-type: none"> • Associate of Applied Science: Paramedic 	<ul style="list-style-type: none"> • Bachelor of Science in Public Safety and Emergency Management
Certificate Programs	
<ul style="list-style-type: none"> • Dental Assistant Certificate • Diagnostic Medical Sonography (Ultrasound) Certificate • Massage Therapy School Certificate • Certified Nursing Assistant / Nurse Aide School Certificate • Phlebotomy Technician Certificate • Patient Care Technician • Central Sterile Processing 	<ul style="list-style-type: none"> • Bachelor of Science in Health Science: Professional Development and Advanced Patient Care
<ul style="list-style-type: none"> • Medical Administrative Assistant Certificate 	<ul style="list-style-type: none"> • Bachelor of Science in Health Care Administration
<ul style="list-style-type: none"> • Medical Assistant Certificate 	<ul style="list-style-type: none"> • Bachelor of Science in Health Care Administration
<ul style="list-style-type: none"> • Pharmacy Technician Training Certificate 	<ul style="list-style-type: none"> • Bachelor of Science in Biology with an Emphasis in Pre-Pharmacy (Ground Only)

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University’s enrollment application and the <http://www.gcu.edu/Policy-Handbook.php>.

The following table is the assessment of the courses between Pima Medical Institute and Grand Canyon University (GCU). The following will be used in evaluating official transcripts.

These courses fulfill the competency requirements; however, the courses may not fulfill the credit requirements. To obtain an undergraduate degree at GCU, students are required to meet a minimum of 120 semester credit hours.

Pima Medical Institute			Grand Canyon University	
Course Code	Course Title	Credits	Course Equivalency	Applied Semester Credits

**Central Sterile Processing Certificate – Bachelor of Science in Health Science:
Professional Development and Advanced Patient Care**

The following table outlines the requirements needed to receive a Central Sterile Processing Certificate from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care. The following will be used in evaluating official transcripts.

Pima Medical Institute– Central Sterile Processing Certificate	Credits	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	GCU Applied Semester Credits
Program Requirements: 35.5 credits			
CSK-100: Study Skills	1	General Elective	1
CAT-150: Anatomy, Physiology, and Terminology	3.5	General Education: Critical Thinking	3.5
CCB-100: Computer Basics	0.5	General Elective	0.5
CMF-95: Math Fundamentals	1	Remedial	0
CHS-100: CPR & First Aid	0.5	General Elective	0.5
CSP-105: Surgical Instruments	3	General Elective	3
CSP-110: Microbiology and Infection Control	2	General Education: Critical Thinking	2
CSP-100: Principles and Practices of Sterile Processing	2	General Elective	2
CSP-120: Sterilization Procedures and Practice	4.5	General Elective	4.5
CSP-130: Storage Distribution	1.5	General Elective	1.5
CSP-140: Decontamination Procedures and Practice	3.5	General Elective	3.5
CSP-150: Medical Equipment	1	General Elective	1
CSP-115: Surgical Terminology	2	General Elective	2
CSP-180: Externship	8.5	General Elective	8.5
CSP-190: Certification Review	1	General Elective	1
Minimum Number of Credits Required for Central Sterile Processing Certificate at Pima Medical Institute			35.5
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care			34.5

The following table outlines the requirements needed to receive a Bachelor of Science in Health Science: Professional Development and Advanced Patient Care from Grand Canyon University.

Course #	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	Semester Credits
University Foundation and Christian Worldview Requirement – 8 credits		
UNV-103/303	University Success	4
CWV- 101/301	Christian Worldview	4
General Education Requirements–28 credits		
UNV-104	21 st Century Skills: Communication and Information Literacy	4
ENG-105	English Composition I	4
ENG-106	English Composition II	4
MAT-144	College Mathematics	4
BIO-220	Environmental Science	4
PSY-100	Psychology in Everyday Life	4
SOC-100	Everyday Sociology	4
Program Major-36 credits		
HLT-307V	Professional Dynamics and Allied Health Professionals	3
HLT-308V	Risk Management and Health Care Regulations	3
HLT-313V	Safety, Quality, and Interdisciplinary Approaches to Care	3

HLT-362V	Applied Statistics for Health Care Professionals	3

HLT-312V	Ethics for Health care Professionals	3
HLT-317V	Communication and Application of Research in Practice	3
AMP-450V	Leadership and Vocation	3
HLT-490V	Professional Capstone Project	3
	Elective credits needed to reach 120 credit minimum for BS degree (GCU courses are typically 3-4 semester credits)	13.5
Total Credits Completed at Grand Canyon University		

Transfer Credits Applied From Central Sterile Processing Certificate	34.5 semester credits
University Foundation, Christian Worldview and General Education – Grand Canyon University	36 semester credits
Program Major Requirement - Grand Canyon University	36 semester credits
General Elective Credits- Grand Canyon University	13.5 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Health Science: Professional Development and Advanced Patient Care at Grand Canyon University	120 credits

*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the <http://www.gcu.edu/Policy-Handbook.php>. To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses. A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the <http://www.gcu.edu/Policy-Handbook.php>.

Associate of Applied Science in Dental Hygiene – Bachelor of Science in Health Science: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive an Associate of Applied Science in Dental Hygiene from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care. The following will be used in evaluating official transcripts.

Pima Medical Institute– Associate of Applied Science in Dental Hygiene	Credits	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	GCU Applied Semester Credits
CSK-100: Study Skills	1	General Elective	1
PSY-115 : Psychology	3	PSY-100: Psychology in Everyday Life	3

Minimum Number of Credits Required for Medical Assistant Certificate at Pima Medical Institute			33
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Health Care Administration			28

The following table outlines the requirements needed to receive a Bachelor of Science in Health Care Administration from Grand Canyon University.

Course #	Bachelor of Science in Health Care Administration	Semester Credits
University Foundation and Christian Worldview Requirement – 8 credits		
UNV-103/303	University Success	4
CWV- 101/301	Christian Worldview	4
General Education Requirements– 28 credits		
UNV-104	21st Century Skills: Communication and Information Literacy	4
ENG-105	English Composition I	4
ENG-106	English Composition II	4
PHI-105	21st Century Skills: Critical Thinking and Problem Solving	4
MAT-144	College Mathematics	4
SOC-100	Everyday Sociology	4
PSY-100	Psychology in Everyday Life	4
Program Major-56 credits		
HLT-205	Health Care Systems and Transcultural Health Care	4
HCA-255	Health Policy and Economic Analysis	4
HCA-240	Health Care Accounting and Billing	4

HLT-305	Legal and Ethical Principles in Health Care	4
HLT-302	Spirituality and Christian Values in Health Care and Wellness	4
HCA-360	Health Information Technology and Management	4
HCA-450	Quality in Health Care	4
HCA-455	Organizational Behavior and Leadership in Health Care	4
HCA-460	Operations and Risk Management in Health Care	4
HCA-465	Health Care Administration and Management	4
BIO-365	Biomedical Statistics	4
HLT-364	Research and Communication Techniques in Health Care and Science	4
HCA-470	Strategic Planning and Implementation in Health Care	4
HLT-494	Professional Capstone Project	4
Total Credits Completed at Grand Canyon University		92

Transfer Credits Applied From Medical Assistant Certificate	28 semester credits
University Foundation, Christian Worldview and General Education – Grand Canyon University	36 semester credits
Program Major Requirement - Grand Canyon University	56 semester credits

Total Credit Hours Needed to Complete Bachelor of Science in Health Care Administration at Grand Canyon University	120 credits
---	--------------------

*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the <http://www.gcu.edu/Policy-Handbook.php>.

To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the <http://www.gcu.edu/Policy-Handbook.php>.

Massage Therapy Certificate – Bachelor of Science in Health Science: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive a Massage Therapy Certificate from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care. The following will be used in evaluating official transcripts.

Pima Medical Institute– Massage Therapy Certificate	Credits	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	GCU Applied Semester Credits
Program Requirements: 30.5 credits			
CAP 155: Anatomy & Physiology	2.5	General Education: Critical Thinking	2.5
CSK 100: Study Skills	1	General Elective	1
MAS 103: Swedish Massage	2.5	General Elective	2.5
MAS 113: Condition Specific Massage	2	General Elective	2
MAP 105: Anatomy and Physiology	2	General Education: Critical Thinking	2
CCB 100: Computer Basics	0.5	General Elective	0.5
INT 140: Internship I	0.5	General Elective	0.5
MAS 123: Therapeutic Massage	2	General Elective	2
MAP 112: Kinesiology	1.5	General Elective	1.5
CHS 115: CPR and First Aid	0.5	General Elective	0.5
INT 145: Internship II	0.5	General Elective	0.5
MAS 133: Asian Theory and Body Work	1.5	General Elective	1.5
MAS 230 Massage for Special Populations	1	General Elective	1
MAP 117: Kinesiology	1.5	General Elective	1.5
INT 150: Internship III	0.5	General Elective	0.5
MAS 203: Spa Technologies	1.5	General Elective	1.5
MLE 123: Medical Law and Ethics	2	General Education: Global Awareness	2
CBU 225: Practice Development	1	General Elective	1
INT 155: Internship IV	0.5	General Elective	0.5
MAS 155: Sports Massage	2	General Elective	2
MAP 130: Pathology, Contraindications, and Pharmacology	3	General Education: Critical Thinking	3
INT 160: Internship V	0.5	General Elective	0.5
Minimum Number of Credits Required for Massage Therapy Certificate at Pima Medical Institute			30.5
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care			30.5

Associate of Applied Science in Nursing (Effective: January 1, 2015) – Bachelor of Science in Nursing (RN to BSN)

The following table outlines the requirements needed to receive an Associate of Applied Science in Nursing from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University's Bachelor of Science in Nursing (RN to BSN). The following will be used in evaluating official transcripts.

Pima Medical Institute– Associate of Applied Science in Nursing	Credits	Bachelor of Science in Nursing (RN to BSN)	GCU Applied Semester Credits
Semester I- 16 credits			
ENG-127: English	3	General Education: Effective Communication	3
BIO-147: Human Anatomy and Physiology	4	BIO-201&BIO-201L: Human Anatomy and Physiology I Lecture and Lab	4
MTH-145: Applied Mathematics	3	General Education: Critical Thinking	3
HSC-125: Introduction to Healthcare	3	General Education: Global Awareness	3
PHI-116: Foundations of Human Potential	2	General Education: Global Awareness	2
NUR-103: Strategies for RN Success	1	General Elective	1
Semester II- 13.5 credits			
PSY-160: Human Development	2	General Education: Global Awareness	2
BIO-175: Pathophysiology	3	NRS-410V: Pathophysiology and Nursing Management of Clients Health	3
PHA-109: Pharmacology	1	General Elective	1
NUR-111: Pharmacology for Health and Promotion and Maintenance	0.5	General Elective	0.5
NUR-126: Nursing's Role in Health Promotion	7	General Elective	7
Semester III- 13 credits			
BIO-185: Nutrition	1	General Education: Critical Thinking	1
PSY-225: Family Centered Care Across a Life Span	2	General Education: Global Awareness	2
NUR-234: Acute Care Nursing Across the Lifespan	8	General Elective	8
NUR-266: Professional Transition I	2	General Elective	2
Semester IV-13 credits			
SOC-245: Sociology of Health	2	General Education: Global Awareness	2
NUR-209: Pharmacology for the Complex Patient	2	General Elective	2
NUR-276: Nursing Care for the Complex Patient	9	General Elective	9
Semester V: 14.5 credits			
HSC-280: Healthcare Informatics	2	General Elective	2
NUR-286: Nursing Care in Challenging Situations	9.5	General Elective	9.5
NUR-296: Role Development of the Graduate Nurse	3	General Elective	3
Minimum Number of Credits Required for Associate of Applied Science in Nursing at Pima Medical Institute			70
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Nursing (RN to BSN)			70

The following table outlines the requirements needed to receive a Bachelor of Science in Nursing (RN to BSN) from Grand Canyon University.

Course #	Bachelor of Science in Nursing (RN to BSN)	Semester Credits
General Education- 8 credits		
ENG-105	English Composition 1	4
MAT-144	College Mathematics	4

Program Major-33 credits		
NRS-430V	Professional Dynamics	3
NRS-429VN	Family Centered Health Promotion	3
NRS-434VN	Health Assessment	3
NRS-427VN	Concepts in Community and Public Health	3
HLT-362V	Applied Statistics for Health Care Professionals	3
NRS-433V	Introduction to Nursing Research	3
PHI-413V	Ethical and Spiritual Decision Making in Health Care	3
NRS-451VN	Nursing Leadership and Management	3
NRS-440VN	Trends and Issues in Health Care	3
NRS-490	Professional Capstone and Practicum	6
	Elective credits needed to reach 120 credit minimum for BS degree (GCU courses are typically 3-4 semester credits)	9
Total Credits Completed at Grand Canyon University		50

Transfer Credits Applied From Associate of Applied Science in Nursing	70 semester credits
University Foundation, Christian Worldview and General Education – Grand Canyon University	8 semester credits
Program Major Requirement - Grand Canyon University	33 semester credits
General Elective Credits- Grand Canyon University	9 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Nursing (RN to BSN) at Grand Canyon University	120 credits

*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the <http://www.gcu.edu/Policy-Handbook.php>.

To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the <http://www.gcu.edu/Policy-Handbook.php>.

Associate of Applied Science in Occupational Therapy Assistant– Bachelor of Science in Health Science: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive an Associate of Applied Science in Occupational Therapy Assistant from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University’s Bachelor of Science in Health Science: Professional Development and Advanced Patient Care. The following will be used in evaluating official transcripts.

Pima Medical Institute– Associate of Applied Science in Occupational Therapy Assistant	Credits	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	GCU Applied Semester Credits
Program Requirements: 70.5 credits			
CMT-105: Medical Terminology	1	General Elective	1
CSK-101: Study Skills	1	General Elective	1
BIO-105: Anatomy & Physiology I	4	BIO 201/201L: Human Anatomy and Physiology I Lecture and Lab	4
OTA-102: Introduction to Occupational Therapy	3	General Elective	3
MTH-125: Math and Statistics	1	General Education: Critical Thinking	1
CCM-105: Communications for the Health Professions	1	General Education: Effective Communications	1
CCB-105: Computer Basics	1	General Elective	1
PSY-130: Psychology	3	PSY-100: Psychology in Everyday Life	3
BIO-106: Anatomy & Physiology II	4	BIO 202/202L: Human Anatomy and Physiology II Lecture and Lab	4
OTA-130: Occupational Analysis	2	General Elective	2
OTA-110: Fundamentals of Occupational Therapy	2	General Elective	2
OTA-108: Growth & Development	3	General Elective	3
OTA-115: Principles of OT in Mental Health	3.5	General Elective	3.5
OTA-125: Kinesiology	2.5	General Elective	2.5
OTA-201: Documentation for the OTA	2	General Elective	2
OTA-206: Human Occupations I	4	General Elective	4
OTA-215: Principles of OT in Physical Health	3.5	General Elective	3.5
OTA-220: Fieldwork I	1.5	General Elective	1.5
OTA-208: Human Occupations II	4	General Elective	4
OTA-230: Administrative Procedures	2	General Elective	2
OTA-240: Pediatric Practice for the OTA	3	General Elective	3
OTA-250: Specific Populations for the OTA	2.5	General Elective	2.5
OTA-225: OTA Seminar	2	General Elective	2
OTA-221: Fieldwork II A	7	General Elective	7
OTA-222: Fieldwork II B	7	General Elective	7
Minimum Number of Credits Required for Associate of Applied Science in Occupational Therapy Assistant at Pima Medical Institute			70.5
Total Credits Applied Towards Grand Canyon University’s Bachelor of Science in Health Science: Professional Development and Advanced Patient Care			60

The following table outlines the requirements needed to receive a Bachelor of Science in Health Science: Professional Development and Advanced Patient Care from Grand Canyon University.

Course #	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	Semester Credits

To obtain a baccalaureate degree at Grand Canyon University (GCU), a student must earn a minimum of 36 semester credits in upper division (300 or above) courses.

A minimum of 120 credits are required for completion of this program of study. If taking one course at a time, this program will take on average 48 months at GCU. Students with transfer credit that applies to this program will shorten the time to completion from that stated on this transfer guide. Please contact your Academic Advisor for more information.

All Grand Canyon University programs follow a Program of Study, which can be changed by the University at any time. All Programs of Study are subject to the terms, conditions, and policies outlined in the University's enrollment application and the <http://www.gcu.edu/Policy-Handbook.php>.

Phlebotomy Technician Certificate – Bachelor of Science in Health Science: Professional Development and Advanced Patient Care

The following table outlines the requirements needed to receive a Phlebotomy Technician Certificate from Pima Medical Institute. Within the table we have identified preferred courses from Pima Medical Institute that will be applicable towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care. The following will be used in evaluating official transcripts.

Pima Medical Institute– Phlebotomy Technician Certificate	Credits	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	GCU Applied Semester Credits
Program Requirements:10			
CSK 100: Study Skills	1	General Elective	1
CHS 100: CPR & First Aid	0.5	General Elective	0.5
PHL 101: Anatomy and Physiology/Medical Terminology	1	General Education: Critical Thinking	1
PHL 102: Introduction to Laboratory and Communication	1	General Elective	1
PHL 103: Phlebotomy	3	General Elective	3
PHL 200: Externship	3.5	General Elective	3.5
Minimum Number of Credits Required for Phlebotomy Technician Certificate at Pima Medical Institute			10
Total Credits Applied Towards Grand Canyon University's Bachelor of Science in Health Science: Professional Development and Advanced Patient Care			10

The following table outlines the requirements needed to receive a Bachelor of Science in Health Science: Professional Development and Advanced Patient Care from Grand Canyon University.

Course #	Bachelor of Science in Health Science: Professional Development and Advanced Patient Care	Semester Credits
University Foundation and Christian Worldview Requirement – 8 credits		
UNV-103/303	University Foundation	4
CWV-101/301	Christian Worldview	4
General Education-32		
UNV-104	21st Century Skills: Communication and Information Literacy	4
ENG-105	English Composition I	4
ENG-106	English Composition II	4
PHI-105	21st Century Skills: Critical Thinking and Problem Solving	4
BIO-220	Environmental Science	4
MAT-144	College Mathematics	4
HIS-221	Themes in U. S. History	4
PSY-100	Psychology in Everyday Life	4
Program Major-36		
HLT-307V	Professional Dynamics and Allied Health Professionals	3
HLT-308V	Risk Management and Health Care Regulations	3
HLT-313V	Safety, Quality, and Interdisciplinary Approaches to Care	3
HLT-362V	Applied Statistics for Health Care Professionals	3
HLT-324V	Transcultural Health Care	3
HLT-310V	Spirituality in Health Care	3
HLT-418V	Trends and Issues in Health Care	3
HLT-314V	Health Care Systems	3
HLT-312V	Ethics for Health care Professionals	3
HLT-317V	Communication and Application of Research in Practice	3
AMP-450V	Leadership and Vocation	3

HLT-490V	Professional Capstone Project	3
	Elective credits needed to reach 120 credit minimum for BS degree (GCU courses are typically 3-4 semester credits)	34
Total Credits Completed at Grand Canyon University		110

Transfer Credits Applied From Phlebotomy Technician Certificate	10 semester credits
University Foundation, Christian Worldview and General Education – Grand Canyon University	40 semester credits
Program Major Requirement - Grand Canyon University	36 semester credits
General Electives Credits- Grand Canyon University	34 semester credits
Total Credit Hours Needed to Complete Bachelor of Science in Health Science: Professional Development and Advanced Patient Care at Grand Canyon University	120 credits

*Traditional campus students who have transferred in a minimum of 24 college level credits and have a 3.0 GPA or higher can waive the University Foundations course, UNV-303. For additional graduation requirements, please see the <http://www.gcu.edu/Policy-Handbook.php>.
