

# Student Right-to-Know Information 2019

The Student Right-To-Know Act requires all institutions eligible for Title IV funding to disclose graduation rates of degree seeking students to all students and prospective students. The population against which on-time graduation rates are calculated are based on first time, full-time, undergraduate students who began their studies in Fall 2012 and would have been expected to graduate within 150% of the published program length.
