THE GCU STORY: DRIVEN BY PURPOSE

Grand Canyon University is a private Christian university based in beautiful Phoenix, Arizona, deeply rooted in the community and committed to making a transformative education affordable for all. Established in 1949 as Grand Canyon College and transitioned to Grand Canyon University in 1989, GCU has grown into one of the largest universities in the country.¹

NONPROFIT TO FOR-PROFIT AND BACK

In the early 2000s, GCU addressed financial challenges by becoming a for-profit institution, leading to improved finances and a self-sustaining model. This change allowed for significant investments in campus facilities, faculty, programs and technology, benefiting both on-campus and online students. While GCU returned to nonprofit status in 2018, recognized by the IRS, the U.S. Department of Education still treats GCU as for-profit for regulatory purposes. GCU intends to engage with the Department of Education to reverse this decision and explore other options, although it currently has no immediate impact.

OUR FUTURE

At GCU, we're inspired by the American dream and the belief in equal opportunity for all. Our foundation rests on a welcoming Christian worldview, motivating us to foster virtuous action through higher education. We provide a diverse range of academic pursuits, from bachelor's to doctoral degrees, to help ensure that every student has a path upon which they can find their purpose. Whether they choose our online platform, traditional on-campus experience or a hybrid approach, GCU stands by them with a supportive graduation team. Our flexible learning options are tailored to empower students to make a positive impact and glorify God.

We invite you to walk alongside us in serving others — creating a ripple effect of transformation for generations to come.

MISSION STATEMENT

GCU is a missional, Christ-centered university with an innovative and adaptive spirit that addresses the world's deep needs by cultivating a compassionate Christian community, empowering free and virtuous action and serving others in ways that promote human flourishing.

Through academic excellence, the university equips students with knowledge of the Christian worldview, instilling in them a sense of purpose and vocational calling that enables them to be innovative thinkers, effective communicators, global contributors and transformative leaders who change their communities by placing the interests of others before their own.

ONE FOUNDATION

IS GCU'S COMMITMENT TO HONOR JESUS CHRIST IN ALL THAT WE DO

GCU's identity and mission have remained deeply rooted in faith for over 75 years. As an interdenominational university, GCU's community is a product of the wonderful diversity of traditions and denominations that have grown out of the roots of Biblical Christianity. Yet, in the midst of this rich diversity, the university has consistently cultivated unity around the core doctrines and common practices of the faith.

Our work on campus and within the community flows from a vibrant faith and desire to honor and emulate Jesus Christ in all we say and do. Our Christian convictions, Christ-focused curriculum and service beyond the classroom provide a foundation that is the bedrock of our community and basis for working together. This foundation simultaneously serves as a reminder of who we are and a statement about who we strive to be. One Foundation continually guides our learning and working communities toward faithfulness, excellence and service to God and our neighbors.

5 POINT PLAN

For decades, Grand Canyon University has been involved in helping disadvantaged populations in its inner-city Phoenix community, but we wanted to do more.

A comprehensive and ambitious five-point plan was established in 2015 that would transform West Phoenix through several public-private partnerships and initiatives.

1

SERVING FAMILIES IN NEED

As part of a partnership with CityServe and its collaborative network of faith-based nonprofits, corporate, retail, farm and food supply partners, GCU provides household goods to families in need. Surplus goods, including beds, furniture, heaters, diapers, food boxes and other essential items are delivered to a warehouse on campus from major retailers. GCU's goal is to equip and mobilize students to meet community needs and to help Arizona families move from dependency to sustainability.

2

MAKING NEIGHBORHOODS SAFER

GCU is in a long-term partnership with the City of Phoenix to increase safety and eliminate crime in the neighborhoods surrounding GCU. The public-private partnership is being lauded as a model for other cities to follow.

3

IMPROVING HOME VALUES

In this first-of-its-kind partnership, GCU provides both the funding and workforce to renovate an entire community of homes in its neighborhood through a partnership with Habitat for Humanity, a nonprofit Christian housing ministry.

4

SUPPORTING K-12 EDUCATION

GCU's Canyon Rising Scholarships extend a helping hand to K-12 students in Arizona facing significant financial need. These scholarships are specifically aimed at supporting underserved individuals, enabling them to seize educational opportunities that might otherwise be unavailable to them. However, Canyon Rising is more than just financial assistance; it embodies GCU's conviction that every individual, regardless of their belief system, was made in the image of God, each with a unique calling. Our vision for these scholarships goes beyond immediate aid — we aim to empower students to find their purpose and pursue the American dream of building a career that can transform not only their own lives but also those of future generations to come.

5

CREATING JOBS ON CAMPUS AND IN WEST PHOENIX

In addition to employing many West Phoenix employees, GCU has also launched business enterprises, including a hotel, golf course, two public restaurants, a merchandise company and a coffee company. These enterprises provide management opportunities for recent graduates and employment opportunities for graduates, students and local residents while also providing an economic stimulus for West Phoenix.

GCU'S DOCTRINAL STATEMENT

WE BELIEVE the Bible, in the Old and New Testament Scriptures to be inspired, the only infallible, true and authoritative Word of God.

WE BELIEVE that there is one God, eternally existent in three persons: Father, Son and Holy Spirit. We believe in God the Father, the Almighty, maker of heaven and earth, of all that is, seen and unseen.

WE BELIEVE in the deity of our Lord Jesus Christ, the only Son of God. For us and for our salvation He came down from heaven, was incarnate of the Holy Spirit and the Virgin Mary and became truly human. Being fully God and perfect man He performed miracles and lived a sinless life.

WE BELIEVE Jesus Christ suffered a vicarious and atoning death through the shedding of His blood. He was buried and on the third day was resurrected in His body; after which He ascended to be seated at the right hand of the Father. He will come again in glory to judge the living and the dead and his kingdom will have no end.

WE BELIEVE that mankind was originally created in the image and likeness of God and free from sin. Through the temptation of Satan, they transgressed the command of God and fell from their original righteousness, whereby all people have inherited a sinful nature that is opposed to God and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

WE BELIEVE that for salvation of lost and sinful people, the regeneration by the Holy Spirit is absolutely essential. We believe in the present ministry of the Holy Spirit by whose indwelling the Christian is enabled to live a godly life. We believe that the Holy Spirit is fully God and is worshipped and glorified with the Father and Son. He divinely inspired the scriptures, convicts the world of sin, righteousness and judgment, leads Christ's Church in truth and is the Teacher and Comforter sent by Jesus Christ.

WE BELIEVE that salvation comes through Jesus Christ alone; that salvation involves the redemption of the whole person and is offered freely to all who exercise faith in Jesus Christ. We believe in the resurrection of both the saved and the lost; those who are saved unto the resurrection of the living and those who are lost unto the resurrection of damnation.

WE BELIEVE in the spiritual unity of believers in our Lord Jesus Christ as one holy catholic and apostolic Church, Christ's Body and Bride ministering reconciliation to a lost world. As ambassadors for the Kingdom of God and the Church, we affirm that evangelism and engagement in societal issues are both part of our Christian duty; both are necessary expressions of our doctrines of God and humanity, our love for our neighbor and our obedience to Jesus Christ.

WE BELIEVE the message of salvation proclaimed by Christ's Church is an indictment upon every form of alienation, oppression and discrimination, denouncing evil and injustice wherever it exists by lovingly ushering in the good news that Christ reconciled the world to Himself.

UNIQUE SELLING PROPOSITION

Grand Canyon University empowers students of all socioeconomic classes in America to embrace their sacred vocation by offering an affordable higher education designed to prepare them for a life in service to others.

WHY “FIND YOUR PURPOSE?”

This is the theme of GCU that should resonate throughout our messaging. This tagline is the foundation upon which our story, mission, vision and goals are built.

GCU’S PROMISE

GCU doesn’t just provide an education. We provide an environment where students can truly find their purpose — and not just for personal achievement, but to leave a lasting impact on their communities and the world.

OUR APPROACH TO MARKETING IS ANCHORED TO “FIND YOUR PURPOSE”

► **Land of Opportunity:**

From athletics to our entrepreneurial colleges with an online platform, GCU offers a variety of paths. No matter which the student chooses, GCU creates opportunities to tailor and enrich their journey along the way.

► **Student-Centered:**

Our focus is on the student. Their purpose isn’t handed to them; it’s discovered and owned by them. We believe that their purpose — what God put in their heart — resides within each student. Our role? To provide the resources, curriculum, experiences and knowledgeable faculty to help sharpen that purpose.

► **Relevance and Impact:**

GCU’s environment is designed to help students crystallize their purpose so they follow their personal ambitions and bring about meaningful change in the world.

► **Authentic Storytelling:**

One of our strengths in marketing is our authenticity. We let our students’ stories of purpose shine, making our campaigns relatable and genuine. This authenticity is why our message stands out in a crowded market. It’s not just about us; it’s about them — the students, their journeys, their testimonies and their realized purposes.

FIND YOUR PURPOSE

**IS AT THE CORE OF OUR
POSITIONING STATEMENT**

VOICE AND TONE

At GCU, our voice represents our brand’s consistent personality or character, while our tone adjusts based on our audience’s context or emotional state.

If GCU were a person, its voice would be the traits that make up its personality. The tone, however, would change based on the situation — like how a person might speak differently at a formal event compared to a casual gathering with friends.

BRAND STORY

GCU.EDU/BRANDSTANDARDS

VOICE (OUR PERSONALITY)

Apply the following GCU characteristics when crafting content for GCU. Be sure to adapt thoughtfully for different audience segments — such as prospective students, alumni, faculty or community members:

1. ROOTED IN FAITH Caring/Compassionate Empathetic Focus on serving others Glorify God	2. WELCOMING Accessible/Approachable Free, open discourse is invited Kind Positive/Upbeat
3. INSPIRING Bold and spirited (athletics, especially) Forward-thinking/Growth mindset Innovative Sustainable	4. REAL Consistent Direct Joyful (traditional campus, especially) Transparent

WE ARE NOT

Although we honor our past, GCU focuses on the future and avoids copy and imagery that reflects “tradition” or “heritage.” Also, avoid anything that may indicate a massive, overwhelming college experience in which students are just another face in the crowd. We value personalized service within a caring community that is not elitist, judgmental or absolutist.

TONE (THIS WILL CHANGE BASED ON CONTEXT)

At GCU, our tone is relatable, prioritizing clarity over cleverness while considering the reader’s emotional state and adjusting our tone accordingly. We communicate in a way that encourages connection and invites free and open discourse. If ever unsure, maintaining a sincere tone is recommended.
