As an interdenominational Christian university, Grand Canyon University builds a community based upon diverse traditions and denominations that grew from biblical roots. We express our vibrant faith and concern to honor and emulate Jesus Christ in all we say and do. Our Christian convictions, Christ-focused curriculum and faith-based service provide a foundation that is the bedrock of our community and basis for work together. This foundation, known as One Foundation, serves as a reminder of who we are and a statement about who we strive to be. One Foundation guides our learning and communities toward faithfulness, excellence and service to God and our neighbors.

The university conducted a survey in February 2021 to learn more about how One Foundation impacts our community. The results are listed below.
