

# 2020-21 *GCU-Funded Institutional Scholarship Programs*

At Grand Canyon University, we offer generous scholarship opportunities to help make a private Christian education affordable. On average, a student qualifies for approximately \$7,800\* in GCU-funded scholarships for the academic year, which reduces overall tuition by nearly half. We have proudly maintained this traditional campus rate for 11 years and our frozen tuition will continue to remain steady in 2020-21.

To maintain a GCU-funded institutional scholarship each year, students must be admissible to attend Grand Canyon University. The following GCU-funded academic scholarships are renewable annually and can be locked in for up to four years for most programs. Visit [gcu.edu/CampusScholarships](http://gcu.edu/CampusScholarships) for more information.
