

## DEPENDENT VERIFICATION WORKSHEET (V1) 2020 - 2021

## STANDARD VERIFICATION

Your application for financial aid was selected for review in a process called "Verification". Please submit the documentation as soon as possible but no later than 120 days after your last day of enrollment, or by September 2021, whichever occurs first. No funds will be disbursed until the verification process is completed. Failure to complete the verification process by the deadline will result in your ineligibility for Title IV funds for the award year. The law states we have the right to ask you for this information before awarding any federal aid. If there are differences between the information supplied on your federal application and your financial documents, we will need to correct this information. We must review the required information under the financial aid program rules (34 CFR, Part 668).

The Department of Education has requested that the institution verify certain items for a student selected for this review. All verification items listed on this worksheet must be verified to determine Title IV eligibility.

\*\* Your tax information will not be necessary if you and/or your parent(s) were able to retrieve your tax information using the IRS Data Retrieval Tool when completing the 2020-2021 FAFSA and no changes were made after the information was retrieved.

To review the status of your awards, please visit your Student Portal at <a href="http://gcuportal.gcu.edu/">http://gcuportal.gcu.edu/</a>.

All fields are required to be completed. If you have any questions, please contact your GCU Student Services Counselor (SSC).
