

INDEPENDENT FOREIGN TAX CONVERSION FORM

2025 - 2026

If all of the income earned in 2023 was in a foreign country, conversion of all foreign income earned is required.

Complete the following fields with the appropriate U.S. dollar equivalency for foreign income earned by the student and spouse as of the time this form is signed.

Attach a signed copy of 2023 foreign income tax account information and all 2023 foreign wage statements, if applicable. An official copy of the account information from the relevant tax authority may be requested.
