

Scholarship Opportunity from the PHX AFCOM Chapter

The PHX AFCOM Chapter is looking to award a \$5k, \$10k, and \$15k scholarship to a few students who are passionate about data centers!

Qualifications to apply for the scholarship:

- Must be actively enrolled in a community college, university, or technical college in an Associate's, Bachelor's or Master's degree program.
- Must be located in Arizona.
- Must be enrolled in a technology or engineering degree program.

How to apply for the scholarship.

1. Research the topic "Sustainability in the Data Center industry"
2. Prepare an essay (no more than 2 pages) and a 5-minute video presentation on your ideas to improve sustainability in data centers.
3. Submit both the essay and video presentation to <https://tinyurl.com/afcomphx2022> by 5:00pm on 7/31!
